I have willed to go forward and have not
advanced beyond
the borders of my grave.

want capture all the fabulous people who were on my team at Kaiser and ST Joseph's Hospital. Special thanks to

Pre-op: Misty - my pre op nurse (and fellow cyclist)

OR Team: Dr Todd Crawford - neurosurgeon extraordinaire
Dr Ryan Nelson - Anesthesiologist
Julie - circulating nurse
? Brandon - Scrub Nurse

Post op: Ryan - Fabulous RN - Thanks for taking me by my family on the way to ICU.
(also fellow cyclist)

ICU: Judy - day nurse, night nurse - can't recall her name but wonderful

Surgical unit - Katie - night nurse
CNA's - Melvin - days, Joe - nights > great guys
OT: Ali PT: Maureen and Craig

There were others that unfortunately I just can't remember their names.

I am very grateful to everyone
